To whom it may concern;

I am very pleased to be given the opportunity to write a few words in support of Bridgwater Bushi Karate Club. The chief instructors Andrew and Jim Daly both 5<sup>th</sup> Dan are people I have known for a number of years and have been invited to teach at the club on a number of occasions.

I am always impressed by the dedication and hard work of all the students and that impetus stems from the driving force and commitment of their Sensei's Andrew and Jim. I have no hesitation of recommending this club to anyone in the area wishing to learn Karate-Do or self defence in general.

Both instructors have a wonderful open mind to all martial arts and through following one Ryu (style) you can see the interaction and connectivity in all their solid basics.

Sincerely

Shihan C. J. Rowen
