To Whom It May Concern

There are very few Wado clubs, whether inside or outside what we would term as the 'mainstream' Wado, that I would put my hand on my heart to. However, I can say, *with hand on heart* that the Bridgwater Bushi Dojo has some of the best student, and instructor, standard participants that I have seen.

The Dojo itself has got to be one of the best around, and although not the best located (*out in the sticks*), has a great following and very popular with the not-quite-so local populace. Etiquette, loyalty, dedication, and standards are all 100% (and more).

As a visiting Instructor I have never felt more welcomed and respected. Additionally, the students are all keen and intent on learning everything offered and with their usual tenacity and commitment to detail pick things up far quicker than most.

The main instructors, Andrew Daly 5th Dan, Jim Daly 5th Dan, and Chris Richards 3rd Dan, are a credit to themselves for ensuring the standards are always kept extremely high, and they have never left a stone unturned to get the best out of their students – *Bushi Karate Dojo is a credit to you all.*

Keep up the very good work everyone, I am very proud to know you all and have you in membership to, and part of, the Alliance of International Wado-ryu (AIWa).

Best regards & wishes,

Gary E Swift (7th Dan) Kyoshi.
